If your church has little to no budget for a website, we'll try to match you with a donor church and deliver a complete, managed site through 1 Source Web.

What you'll receive

- Modern, mobile-friendly website (built in our standard church layout)
- Core pages: Home, About/Beliefs, Ministries, Sermons/Media, Give/Contact
- Hosting, backups, security, and performance care
- Basic training so you can post updates and sermons
- Ongoing support options if you need more help

Who qualifies

We serve Bible-believing, Christ-centered churches that:

- Affirm our baseline essentials (see doctrinal baseline)
- Have limited budget / no in-house web help
- Are ready to respond quickly with content

What we need from you

- A short church overview (who you are, where you serve)
- Your Statement of Faith (URL or PDF)
- Basic content (service times, ministries, leadership, giving link)
- A single point person who can reply quickly

How the sponsorship works

- Apply. Tell us who you are and what you need.
- We review and queue. If approved, we place you in the funding queue.
- Funds matched. When a donor church sponsors your project, we start.
- We build and launch. 1 Source Web handles the design, build, hosting, and care.
- You're online. We train your team and hand you a site that serves real ministry.

Costs and timeline

- Timeline: typically 2-4 weeks after funding (depends on content response).
- Setup: covered by sponsorship (most projects are funded at $750 for the starter package).
- Monthly: if you cannot cover hosting/care now, we will try to match you with monthly support; otherwise plans start low and can grow with you.

  Small print (plain English): Sponsored sites use our standard layout and feature set to keep costs low and delivery fast. You can always add custom work later through 1 Source Web at normal project rates.

Doctrinal baseline (eligibility)

We consider churches that affirm historic Christian essentials:

- The Triune God - Father, Son, and Holy Spirit
- The authority of the Old and New Testaments as God's Word
- Salvation by grace through faith in Jesus Christ
- The death, burial, and bodily resurrection of Jesus

  We're not here to referee every secondary issue. We simply ask for a Statement of Faith and basic denominational/affiliation information.
