

Your gift helps a small church get online with a complete, done-for-them website - designed, built, hosted, and cared for by 1 Source Web.

- 100% of your gift goes toward website design, build, hosting, and care.
- Every church is vetted for doctrine and mission alignment.
- You see exactly who you helped - and when their new site goes live.

How it works

- We vet the churches. Small churches apply and we review doctrine, leadership, and basic ministry details.
- You choose who to support. Fund a specific church or give to the general fund (we match your gift to the next approved church in line).
- We design, build, and host. 1 Source Web handles strategy, design, development, hosting, and ongoing care.
- You see the impact. We keep you updated when the site launches and how the church is using it.

What your gift covers

- \$750 - complete strategy, design, and website build
- \$1,020 - first full year of hosting, backups, security, and professional maintenance (\$85/mo x 12)
- \$1,770 - total first-year sponsorship investment per church
- Basic training for the church's team (so they can post updates and sermons).
- Ongoing support to keep the site healthy and secure.

After the first year, churches continue at just \$85/month - an amount most small congregations can sustain. This gives them 12 months to build it into their budget while ensuring the site stays online and cared for.

Choose your impact level

- Full Year Sponsor (\$1,770) - complete first-year sponsorship for one small church (most popular).
- Launch Sponsor (\$750) - fund the build; the church covers \$85/mo from month one.
- Six-Month Sponsor (\$1,260) - setup plus six months of support.
- Monthly Partner (\$85/mo) - long-term support for churches with truly no budget capacity.

Doctrine and alignment

Our screening process includes:

- A clear statement of faith from the church
- Basic denominational / church family information
- Agreement with core essentials of historic, orthodox Christianity
- A short ministry story describing how they are serving their community

How you choose churches comfortably

- Filter churches by denominational family or theological stream
- Choose a specific church to fund or give to a general pool
- Never pressured to support a church you're not comfortable with

Doctrinal baseline (eligibility)

We consider churches that affirm historic Christian essentials:

- The Triune God - Father, Son, and Holy Spirit
- The authority of the Old and New Testaments as God's Word
- Salvation by grace through faith in Jesus Christ
- The death, burial, and bodily resurrection of Jesus

What makes Fund Our Site different

- Church-to-church generosity. Larger churches help smaller ones in a practical, high-impact way.
- Founded and run by an active teaching pastor. Built from real local church ministry, not theory.
- Transparent stewardship. You know who you helped and when the site launches.
- Fully managed delivery. Recipients get a cared-for website solution, not a half-baked template.

NOTE: While we can provide an annual donation receipt to all donors, at this time, Fund Our Site Initiative is not a registered 501(c)(3) nonprofit organization in the United States, so donations made directly to Fund Our Site are not tax-deductible as charitable contributions.
